ministry and fancy goods :
MRS. L. A. WATERHOUSE,
 HAS REMOVED TO
421 Congress Street,
 apr29-cod24* Near State St.

IMPORTANT
 — TO —
Teamsters and Horse Owners !

YOUR attention is called to the Patent Rubber-Line Horse Collar, which is fast coming into general use. It has never failed to cure any strained or galled horses. It is warranted to cure any galled horse, or to pay, it is superior to the common collar in every respect. Call and see the testimonials and examine the Collar at the store.

Needle, run easily and smoothly, and do a great range of work. They are believed to be a better range of fully automatic than any other in the market, but—

1—They are more simple in construction, requiring less maintenance.

2—They are more simple and perfectly constructed, making them more durable.

3—They are more simple to work, with the same Needle and tension sewing from the finest muslin to the thickest duck or leather.

4—They are more pleasing, which prevents so much trouble and annoyance, as it cannot be too much wrong.

Not having been represented in the 'Great British Exhibition', the popularity of the F. & L. Machine, do not test the claims to public patronage, but the fact that the Government, the Navy, the Army, &c., but are content to submit the 'Lockport' Machine to the impartial decision of an intelligent Jury, is a strong recommendation.

BUY A MACHINE and give it a fair trial, and if it doesn't prove good, return it and get your money again.
